

MOTION BY SUPERVISOR ZEV YAROSLAVSKY

June 18, 2013

The Los Angeles County Fire Department, Lifeguard Division's Training Section provides training for lifeguard staff. The Training Section offers both in house and outside training that is required for lifeguards who save lives in dangerous environments. The Training Section conducts an 80-hour academy when new lifeguards are hired. New cadets are taught the basic principles of lifeguarding and other aspects of the job, with emphasis on ocean dynamics, rescue, first-aid, rescue boat operations, communication, public relations and specific policies and operating procedures.

On June 30, 2013, approximately 80 Cadets will graduate from the Lifeguard Training Academy. The celebration will be held at Will Rogers Beach for the graduates, their families and friends.

I, THEREFORE, MOVE that the Board of Supervisors waive the parking fees for all participants in this event, excluding the cost of liability insurance.
